## REPLACEMENT CARBON FILTER FOR 3-IN-1 INSTANT BOILING WATER TAP

---

---

**Compatible with all fohën boiling water taps, the purest of fohën water is achieved through our innovative carbon pure water filter. The filter has been designed to specifically to organically remove calcium, magnesium, chlorine & dirt particles from your water supply; providing you with a cleaner & crisper water.**

**The removal of impurities makes replacing your Carbon Purity Filter every 6 months essential to maintaining your warranty.**
